

Step-free entrances

Harbor: main entrance.

Midtown: east entrance.

Garden: main entrance.

This is an entrance summary. It does not describe every route inside each building. The diagram on page 3 contains interior relationships. Ask reception for any missing route detail.

Planning an arrival

Reception is staffed Monday–Friday, 09:00–18:00 at every location. Member access can be longer for eligible plans, but that does not promise staff assistance outside reception hours.

Assistance animals are permitted at all locations. The Garden outdoor-patio restriction applies to pet dogs, not assistance animals.

Keep the location and current booking date in a request for assistance. A diagram with missing graphics may retain labels while losing the route they describe.

Midtown interior diagram

Follow the drawn route. Labels alone do not describe the connections.
