

March rate card

Acme Workspaces | March 2026 archive

Historical offer valid 1–31 March 2026. Day pass: \$25 per person for one selected weekday, 09:00–18:00 at one location. Flex: ten desk-visit days during the March offer period. This offer has ended.

Keep these validity dates with the prices. This rate card does not describe September terms. A saved offer should be used with the booking and period it actually concerns.

Desk plans in March

Acme Workspaces | March 2026 archive

Day pass: \$25 per person. Flex offer: ten home-location visit days. A partial-day visit uses a day. Unused days do not roll over.

Desk visits and room time remain separate. A room reservation needs its own confirmation and booking ID. A historical offer is not a standing promise to use that price for every future date.

Rooms and units

Acme Workspaces | March 2026 archive

Pebble, Cedar and Willow: four people, \$20 per hour. Maple and Fern: eight, \$35 per hour. Summit: sixteen, \$60 per hour. One-hour minimum, then 30-minute increments.

One room credit covers 30 minutes in Harbor Pebble or Maple. Other sites and catering are excluded. A group should count all attendees against room capacity.

Keeping dated records

Acme Workspaces | March 2026 archive

Valid only 1–31 March 2026. If asking about an old booking, retain its original dated confirmation and reference. Do not erase the validity period when forwarding this rate card.

An invoice describes the amount billed, while a receipt records payment. A staff concession for one booking does not extend this expired offer to every customer.
